Hello Fellow NCAEOP Members!

I am “Hoping” this newsletter finds all of you excited about this new upcoming year of “Hope Makes a Difference” 2015-16 for our Association! With my logo being a “beachy” theme, I am looking forward to attending the fall meetings and seeing your decorations. I am really hoping to get some ideas for conference decorating too!!

Just want to take a minute and give you an update of my June Board meeting on June 18, with 40 people in attendance! Thank you to all the ones who took the time to attend this productive meeting. Decisions were made and voted on concerning conference and there should be news forthcoming of “on-line” registration to be effective for 2016 conference, where you can either pay on-line or mail in. A big thank you to Conference Chair, Brenda Misenheimer and her committee! Workshop chairperson, Tammy Lockamy, has been working diligently on getting energizing motivational speakers as well as educational presenters who can assist us in the workplace! We have some interesting topics for you to choose from, and I know it’s going to be a hard decision to choose because I am facing the same decisions. So go ahead and mark your calendars for March 9-11 at the Twin City Quarter-Benton Convention Center in Winston Salem.

Have a very safe and stress free remainder of the summer! Go ahead and plan those days at the beach before your schools re-open in August!

I am ending my article with a quote that I like very much from my District 7 President, Karen Fowler. YOU make a difference and are the HOPE for our association!

No truer words have ever been spoken!
Hello Members of NCAEOP,

As the school year ends and most of us are vacation bound, I just want to say that it is an honor to be serving as your President-Elect. I look forward to a year of challenges, hard work, learning, as well as growing with continued friendships. But most of all relying not on my strength but according to Philippians 4:13 New International Version (NIV): “I can do all this through him who gives me strength.” As I prepare and plan for my year, I will be watching, learning, persistently growing in knowledge about this incredible association with the assistance of President Mabe and the remarkable leaders who came before her.

President Mabe’s theme is “Hope Makes A Difference”. May we all make a difference as we inspire each other to exert ourselves towards distinction. Remembering that NCAEOP is an amazing association and all of US contribute to making it this way.

So gather all the sand dollars you find in your workplaces, throw them into the NCAEOP ocean, and encourage them to become members. Start today by making a difference not only in your life, but also in life of someone else.

Bianca

I would like to thank each of you for entrusting me with the position of NCAEOP Vice President for 2015-2016. As Vice President, I am also the Chair of the Membership Committee. Unfortunately, the membership of NCAEOP has been steadily declining over the past several years. This organization has grown very dear to me as I’m sure it has to each of you. I need each NCAEOP member working to recruit new members. We need to identify state agencies, community colleges and school systems that are not currently active in our organization. I believe we will have to first gain the administration’s support of their employees becoming a part of our organization by explaining to them the personal growth we have experienced through our professional activities with NCAEOP. Please work hard within your local and district units to increase membership this year.

President Mabe’s theme this year is “Hope Makes a Difference.” Remember you the members of NCAEOP can be the hope for this organization’s growth and you can make a difference in the future of this organization. Let’s all work to increase our membership and enhance the future of our wonderful organization.

Sharon

Footprints

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from His life. For each scene He noticed two sets of footprints in the sand. One belonging to Him and the other to the LORD.

When the last scene of His life flashed before Him, he looked back at the footprints in the sand. He noticed that many times along the path of His life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times of His life.

This really bothered Him and He questioned the LORD about it. LORD you said that once I decided to follow you, you’d walk with me all the way. But I have noticed that during the most troublesome times in my life there is only one set of footprints. I don’t understand why when I needed you most you would leave me.

The LORD replied, my precious, precious child, I Love you and I would never leave you! During your times of trial and suffering when you see only one set of footprints, it was then that I carried you.

Carolyn Carty, 1963

Footprints

Also Known As “I Had a Dream”

One night I dreamed a dream. I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord.

When the last scene of my life shot before me I looked back at the footprints in the sand. There was only one set of footprints. I realized that this was at the lowest and saddest times of my life. This always bothered me and I questioned the Lord about my dilemma.

"Lord, You told me when I decided to follow You, You would walk and talk with me all the way. But I’m aware that during the most troublesome times of my life there is only one set of footprints. I just don’t understand why, when I need You most, You leave me."

He whispered, “My precious child, I love you and will never leave you, never, ever, during your trials and testings. When you saw only one set of footprints, it was then that I carried you.”

Margaret Fishback Powers, 1964
Chances are good you’ve read “Footprints in the Sand” sometime in your life, on a greeting card, plaque, T-shirt or postcard. Chances are also good you’ve noticed it is nearly always signed “Author Unknown.” Evidently, this is not the case since in looking up a copy for this newsletter, I found at least three different versions by three separate authors. Amazingly, they are all three very similar and all three writers claim it as their own work. There does appear to be forensic evidence based on a torn and yellowed pencil written copy of the poem by Mary Stevenson that she was the first author.

Mary Stevenson’s version of “Footprints in the Sand” fell into public domain because she never had it copyrighted. However the “Footprints” that Carolyn Carty authored is different than Mary’s and is, in fact, copyrighted. According to Carolyn Carty the Library of Congress would never have issued her a certificate of registration of ownership if it was in the public domain. All copyrights implied are applicable according to copyright law.

Margaret Fishback Powers is the third writer to claim the poem as her work. It seems that the fact that one person may have a registration from the Copyright Office for a work that incorporates this poem does not confer rights to the poem to that individual. The Copyright Office does not investigate the validity of the claim of authorship or search prior registrations for similar works, unlike the Patent and Trademark Office.

Who knew this wonderful poem could have such a controversial history. I just suggest continuing to enjoy the blessed words of whichever version is your favorite.

Footprints in the Sand

One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there was only one.

This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints, so I said to the Lord, “You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there has only been one set of footprints in the sand. Why, when I needed you most, have you not been there for me?”

The Lord replied, “The years when you have seen only one set of footprints, my child, is when I carried you.”

Mary Stevenson, 1936

Thank you for the opportunity to have served as your NCAEOP President for 2014-2015. The invaluable friendships and wealth of knowledge gained will reside within me forever. My hope is that you all continue to build yourselves professionally through NCAEOP.

I am honored to now be serving as your 2015-2016 Immediate Past President. This wonderful position allows me to become part of the great leaders of our association, the NCAEOP Past Presidents. In addition to serving as your IPP, I am serving as Chairman of the Policy and Procedures and Finance. I look forward to working with President Mabe as Hope Makes A Difference. It is my sincere honor to continue to work for the members of this wonderful association. Let’s all work together this year to show that hope does make a difference as a member of NCAEOP. Remember to re-new those memberships! I look forward to seeing you soon.

Prayers: Long-time CCAEOP member Kim Wichtl had to resign from CCC due to her ongoing cancer issues. The tumor on her right lung has remained the same size through all the treatments but she now has new ones growing in her chest. She has started a new drug treatment at Duke every Friday. Hopefully, she will be able to tolerate the drug since it appears to have many side effects and is the last chance she has medically. Kim has commented that if this does not work, it will be time to let nature take its course. She trusts that God is with her so she doesn’t pray for a miracle—she just prays.

Members of District 12 and NCAEOP Hello!

Welcome to a season of new beginnings and new challenges. I am Mary Jones and I am happy to be back again as District 12 President for 2015-2016. Welcome to all new and seasoned EOPs. Thank you for your dedication and trying new and different things this year. We are hoping for an “Above and Beyond” year. There are many areas to enhance your capabilities, scholarships, PSP credits, leadership conferences, whatever challenges that may come, let’s step-up and just do it.

One of my goals is membership. I hope to exceed last year’s membership drive by encouraging more prospective new members to join this worthy organization. Don’t forget your administrators and retirees! There are rewards for them as well. They can attend District Meetings and PSP Workshops in the fall, conferences, and more. It is exciting and very rewarding. Membership is easy, three steps: local, district and state, national. It is great to be on board with a great District and State. Local units, I applaud you as well. It starts with you. I look forward to working with you this year. Remember, Hope Makes The Difference.
